

Frequently Asked QUESTIONS

What is **GEAUXPASS**?

GeauxPass is a prepaid account and transponder (toll tag) that allows you to use toll roads like the LA 1 Expressway without having to stop and pay for the toll.

How does **GEAUXPASS** work?

Tolls are collected electronically by overhead gantries located along the toll expressway. The gantries communicate with a transponder located in the inside, upper left corner of the car windshield. The system automatically deducts the appropriate fee from your account. Each time you drive on the LA 1 Expressway, Crescent City Connection or any other future GeauxPass toll facility, a toll fee will be deducted from the balance in your account as your car passes through the toll gantry.

What cost is involved to get a **GEAUXPASS**?

Costs will vary based on the type of GeauxPass you choose for your vehicle.

There are two GeauxPass options:

1. A sticker GeauxPass is \$12.50.
(cannot be removed once installed)
2. A plastic hard case GeauxPass is \$32.00.
(can be removed once installed)

In addition to this one-time charge, a toll pre-payment is required to open an account. This is the fund that the tolls will be deducted from each time you use the facility. This payment may be made by cash, check, debit or credit card.

When my **GEAUXPASS** account gets low, can it automatically be set up to draw funds from my credit or debit card and deposited into my GeauxPass account?

Yes! Simply let us know you would like this feature when signing up for your account. Once the balance in your account reaches a certain threshold, it will automatically be replenished by charging to the card you choose.

Can I use my **GEAUXPASS** on the New Orleans Causeway or Crescent City Connection?

Your GeauxPass may be used on the Crescent City Connection (CCC), but not the Causeway. Your GeauxPass is designed to be used on other future new toll facilities across Louisiana as they may come on line.

I have a CCC account, what do I need to do?

Nothing as long as you have enough funds in your account to cover the LA 1 Expressway toll.

I have a Causeway account, what do I need to do?

You will need to open a separate GeauxPass account to drive on the LA 1 Expressway or the Crescent City Connection, but you will not need to purchase a new transponder.

Where can I find the toll rates for each of Louisiana's toll roads?

Logon to www.geauxpass.com or visit one of our customer service centers for a complete toll rate chart.

Do I need to register any potential trailer(s) or boats which I may be pulling with my vehicle?

Yes. Although you only need a GeauxPass attached to the inside of the windshield of your vehicle, the license plate number of the trailer or boat you are towing needs to be visible and registered to your account.

Where can I find more information?

- Online at www.geauxpass.com
- By phone at 866-662-8987
- You can come in to one of our two customer service locations during office hours
- Follow us on Facebook and Twitter

Payment Options
